HENRI-MARIE

Henri-Marie, the larger of our two indoor spaces at 1,400 square feet, can accommodate up to 80 attendees for a seated reception. Henri-Marie is modeled after a 19th century family chapel from a private estate outside of Paris. Its 1920s Art Deco-inspired interior evokes a classically romantic feel and offers a striking background for your event. With its high vaulted ceilings and doors that open to a private terrace, the room is full of natural light making the space even more elegant for your special event.

GIVERNY SALON

Giverny Salon offers over 1,200 square feet of classically luxurious architecture and design, ideal for an intimate cocktail hour for up to 80 guests or a seated reception for up to 60 guests. Attached is the Giverny Salon foyer which offers 500 square feet of pre-function space overlooking our gardens.

THE GARDEN BAR
